- **Evaluation:**

- As indicated on the schedule, there will be four equally weighted exams counting for 74% (based on the assigned readings, videos and lectures),
- URPP participation 4%
- Assignment 10%

- In-class testing 12 %

- **Assignment Submission:** Proper academic performance depends on students doing their work not only well, but on time. Accordingly, assignments for this course must be received on the due date specified for the assignment. You will be asked to submit your assignment to your TA by e-mail and to www.turnitin.com by a specified date.
- **Lateness Penalty:** Assignments received later than the due date will be penalized 5% per day.

- Within 48 hours of the missed test or examination, students must contact the instructor either in-person or by e-mail. Be sure to clearly state your name, student number, course and a number/time at which you can be reached. In the case of a missed test the student will be required to write a **MAKE-UP TEST**. Only **one** make-up test is allowed in the course, any other missed tests will stand at the value of zero.

- no one who has taken the course twice without achieving a C before can remain in the course unless they have successfully petitioned or already got permission of the undergraduate program director
- if you are taking the course for the second time, this is their last chance and the grade they get this time is the one that will remain as their official grade, even if it is worse than the first one
